- We are very proud of our excellent school satisfaction ratings and safety record. These are due to the diligence and care of our staff and co-workers, utilising the systems and procedures that we have developed over the years and which we continue to refine.
- A PGL group leader is allocated to help with the general organisation of the group and to assist with recreational events during the evenings and between activity sessions.

PGL Barton Hall Torquay

Pioneers of adventure since 1957

Although children often refer to us as 'Parents Get Lost', the company actually takes its name from the man who started it all in the 1950s - Peter Gordon Lawrence

Safety is our top priority

To maintain the standards of excellence for which we are known, we rigorously select only the very best of the thousands of candidates who apply every year. We assess them according to their previous work with children, entertainment skills, personality and activity qualifications or experience. Naturally all staff members are DBS ([Disclosure and Barring Service](#), formerly CRB) checked. Additionally, all new appointments are on probation for their first two to four weeks, and continually assessed to ensure they meet our high standards. You can find out more about our Recruitment process in our [Code of Practice](#) and [Safeguarding Policy](#).

Fussy Eaters?

We know some children may be particular about what they eat. Don't worry though, whether it's because of special dietary needs or simply someone who's really particular, we will always find something to suit any special requests you may have. And if they're still hungry, we can offer alternatives and extra food.

We do ask that parents indicate on their form if there are any allergies.
