

Year 6 Statistics Learning Journey

Ready to Progress

Non-statutory guidance for key skills and knowledge needed

Resources, ideas and assessment questions available in the Maths Guidance NCETM

Year 5 Prior Learning	Year 6	NCETM
Solve comparison, sum and difference problems using information presented in a line graph	Calculate and interpret the mean as an average	
✓ Read and interpret line graphs	✓ Calculate the mean from a set of data	
✓ Draw line graphs	✓ Calculate missing information from the mean	
✓ Use line graphs to solve problems	✓ Interpret the mean	
Complete, read and interpret information in tables including timetables	Interpret and construct pie charts and line graphs and use these to solve problems	
✓ Read and interpret tables	✓ Read and interpret line graphs	
✓ Complete, read and interpret two way tables	✓ Read and interpret pie charts	
✓ Complete, read and interpret timetables	✓ Construct pie charts	
	✓ Construct line graphs
